

Golf Society Packages 2026

The Havers Course is our beautifully maintained 18-hole links, offering a rewarding blend of heritage, challenge and coastal charm. Designed in 1904 by Willie Park Jr. and later refined by Harry Colt, it's a course that demands skillful play across fast-running fairways, tidal ditches and undulating greens- all made more dynamic by the ever-present sea breeze.

Plan your perfect golf day with us! We offer a great selection of society packages to suit all groups, or you can build your own to create a day that works exactly how you want it. Whether you're after a relaxed round or a competitive event, we're here to help every step of the way.
